MCDANIEL YACHT BASIN

SPECIAL POINTS OF INTEREST:

- Boat Shows
- Open House
- Winter Storage Reminder
- Kim Trainer

Wind, rain, and extreme high tides were dealt to us by mother nature as a way to welcome in October. Tides averaged 3 feet over the normal high tide mark.

Our staff pitched in adjusting lines and staying ahead of the storm. No real damage was done.

Our favorite show dates are looming. The Annapolis Show kicks off on October 14th and continues thru the 17th. We will be displaying the

OCTOBER
47' and 41' Carver Motor Yachts and will be again in the upper basin area.

Many customers have asked about Kim Trainer and her well being. Kim is undergoing radiation and chemo therapy at John Hopkins Hospital in Baltimore and is scheduled for 36 con-

secutive treatments. She is keeping a positive frame of mind, and we thank everyone for keeping her in your thoughts and prayers.

The yard will hold an open house during the weekend following the Annapolis Show. Come join us for refreshments and the chance to socialize. Our inventory of both new and used boats will be open for inspection. Come join us rain, snow, or shine.

COUPLE MORE THOUGHTS

Cold weather is knocking at the door. Don't forget to make plans for the storage of your boat if you have not already done so. We are already out of certain

types of storage. We do however; have two (2) covered wet sheds still available for the winter.

See you at the show!

Until next month!

Regards-

Dan Mac
