

Explore the Pros & Cons of Technology

If you want to ensure that your child has a safe and beneficial experience while utilizing the internet to surf, play games and social network, this is the interactive session for you.

Christopher Knoerlein, the Information Systems Administrator at the Arc of Baltimore will discuss the potential hazards and the many internet safeguards available to prevent any harmful experiences for your child.

In addition, Angela Strauch, M.S., CCC-SLP, a Speech-Language Pathologist and Director of United Cerebral Palsy's No Boundaries Assistive Technology Center will highlight the benefits of communication devices for your child.

Mollyne Honor, Assistant Director of the Maryland Library for the Blind and Physically Handicapped will also be presenting what they have available for the disabled community.
